**How soon will I get a refund of any premiums that are withheld for my current plan after I enroll in a new plan? Who will the refund come from?****Question**

How soon will I get a refund of any premiums that are withheld for my current plan after I enroll in a new plan? Who will the refund come from?

**Answer**

If the Social Security Administration withheld the premium, Social Security will refund your premium. You should get this refund as an individual payment, separate from your regular monthly benefit, within eight weeks after enrolling in a new plan.
